Although there is an overspend of £2011 we thought it appropriate to 'pay back' this amount with a contribution from next year's towards the costs of the Adventure Trail extension.

Sport Premium Funding is universal and therefore our aim will be for maximum benefit for all our pupils, including and especially those, that may not ordinarily see themselves as 'sporty'.

We have been able to offer a much wider range of after school clubs where fully qualified coaches have delivered sessions. In particular Tennis and Golf. Our Year 3/4 pupils won the local Tri-Golf competition, qualifying for the area finals. As a result of Tennis coaching 4 children represented the school in a local tennis competition.
